Players

Players are the most important people in the sport. Playing for the team, and for the team to win, is the most fundamental part of the game. But not winning at any cost – fair play and respect for all others are equally important.

Players should:

1. make every effort to develop their own football abilities
2. give maximum effort and set a positive example to others
3. help and encourage their team members
4. listen to the Manager and Coach and act accordingly
5. understand and abide by the Laws of the Game and competition rules
6. show good sportsmanship and fair play
7. show respect for other players, referees, team officials, and supporters
8. never endanger other players with rough or violent play
9. accept the decision of the referees without protest
10. look after the facilities and equipment
